2025 Developed Water District Tax Rate Calculations

Travis Co. WCID #10 July 21, 2025

Instructions

These worksheets will calculate the information water districts will need prior to adopting their tax rate. It will be necessary first to enter the required data on the "Data Entry" sheet. To access that sheet, click on the Data tab located at the bottom of this window. Some data may already

NOTE: All worksheets are "locked" to protect accidental changes. You may only enter items on the data entry page and only in the blue colored cells. If for some reason you need to otherwise edit any of the worksheets, the password to unlock them is "TAX". It is case sensitive.

If you have debt, when you enter the debt information, your debt rate will be calculated for you on line 12 of the data entry page. It has a provision for you to "back into" a specific debt rate if you wish.

After you have entered the required data, click on the "Notice" tab. This sheet has all the information you need to complete the "Water District Notice of Public Hearing on Tax Rate". This is a notice all water districts must publish prior to adopting their tax rate (Water Code, Section 49.236).

If line 14 on the Notice tab is equal to or less than 3.5%, this paragraph does not apply and you may ignore the "Voter-Approval" tab. If line 14 on the Notice tab is more than 3.5% and you are a Developed Water District, an election must be held to determine whether to approve the maintenance and operation tax rate under Section 49.23602 of the Water Code. You are advised to seek legal counsel in this event. The VOTER-APPROVAL RATE

NOTE: Due to an anomaly in the law, it is possible that the calculated voter-approval rate will be higher than the proposed rate which generated the voter-approval rate. Although not likely, if this occurs, you should seek legal counsel. If you are a new jurisdiction or had no levy last year, line 14 of the Notice tab will display "INFINITE %" because you are dividing by zero. Again, this a problem with the wording in the Code and you may wish

Water District Name

Phone (area code and number)

Water District's Address, City, State, ZIP Code

Water District's Website Address

GENERAL INFORMATION: The Comptroller's office provides this worksheet to assist water districts in determining their voter-approval tax rate. The information provided ir offered as technical assistance and not legal advice. Water districts should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

Section 1: Voter-Approval Tax Rate

The voter-approval tax rate for developed water districts is the current year's debt service, contract, and unused increment tax rates plus the maintenance and operation (Mewould impose no more than 1.035 times the amount of M&O tax imposed by the water district in the preceding year on the average appraised value of a residence homestead district. The average appraised value disregards any homestead exemption available only to people with disabilities or those age 65 or older.

The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or control to the officer or employee submits the rates to the governing body by Aug. 7 or as soon as thereafter as practicable.

If any part of a developed water district is located in an area declared a disaster area during the current tax year by the governor or by the president, the board of the district voter-approval tax rate in the manner provided in Water Code Section 49.23601(a) and determine whether an election is required to approve the adopted tax rate in the mann Water Code Section 49.23601(c). In such cases, the developed water district may use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet for Low Developing Districts to calculate its voter-approval tax rate.

ine.	Worksheet		Amount/Rate
