

## TRAVIS COUNTY WCID NO. 10 FIRE SUPPRESSION SYSTEM ACKNOWLEDGEMENT

Project Address: \_\_\_\_\_

Applicant: \_\_\_\_\_ Phone: \_\_\_\_\_

Email (PRINT): \_\_\_\_\_

### *New Construction*

**All new construction is required to have an approved fire suppression system installed.**

\_\_\_ I acknowledge this project is required to install an approved fire suppression system. I am authorized to act on behalf of the property owner and understand that failure to install an approved fire suppression system may result in denial of water service and applicable penalties.

### *Remodels and Additions*

**All remodel and addition projects are required to submit plans to the District for review. Projects exceeding 50% of original footprint will be required to install an approved fire suppression system.**

\_\_\_ I acknowledge that the District requires installation of an approved fire suppression system for my project. I am authorized to act on behalf of the property owner and understand that failure to comply may result in denial of water service and applicable penalties.

\_\_\_ I confirm that I will be installing an approved fire suppression system as part of this project and elect to waive the District's plan review process.

\_\_\_ I acknowledge that the District will not require a fire suppression system for this project. Supporting documentation is attached. Any change in scope must be submitted and may alter the determination.
